

Application Tips

1. Mix Bronzing Powder colors and apply on the bottom half of eyelid from crease down with sponge-tip applicator.
2. Mix Highlighter Powder colors and apply on upper half of eyelid from crease up with other side of sponge-tip applicator. Make sure to blend with Bronzing Powder.
3. Mix both Bronzing colors and apply on cheeks, forehead, nose and chin with cotton ball.
4. Mix both Highlighting colors together and apply to the top of cheek bones and under eye area with other side of cotton ball.
5. Apply Mascara to your lashes and Lip Gloss to your lips and your makeover is complete.
